A BILL

To permanently extend the Internet Tax Freedom Act.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Internet Tax Freedom
5 Forever Act”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

8 (1) The Internet has continued to drive eco-
9 nomic growth, productivity and innovation since the

1 Internet Tax Freedom Act was first enacted in
2 1998.

3 (2) The Internet promotes a nationwide eco-
4 nomic environment that facilitates innovation, pro-
5 motes efficiency, and empowers people to broadly
6 share their ideas.

7 (3) According to the National Broadband Plan,
8 cost remains the biggest barrier to consumer
9 broadband adoption. Keeping Internet access afford-
10 able promotes consumer access to this critical gate-
11 way to jobs, education, healthcare, and entrepre-
12 neurial opportunities, regardless of race, income, or
13 neighborhood.

14 (4) Small business owners rely heavily on af-
15 fordable Internet access, providing them with access
16 to new markets, additional consumers, and an op-
17 portunity to compete in the global economy.

18 (5) Economists have recognized that excessive
19 taxation of innovative communications technologies
20 reduces economic welfare more than taxes on other
21 sectors of the economy.

22 (6) The provision of affordable access to the
23 Internet is fundamental to the American economy
24 and access to it must be protected from multiple and
25 discriminatory taxes at the State and local level.

1 (7) As a massive global network that spans po-
2 litical boundaries, the Internet is inherently a matter
3 of interstate and foreign commerce within the juris-
4 diction of the United States Congress under article
5 I, section 8, clause 3 of the Constitution of the
6 United States.

7 **SEC. 3. PERMANENT MORATORIUM ON INTERNET ACCESS**
8 **TAXES AND MULTIPLE AND DISCRIMINATORY**
9 **TAXES ON ELECTRONIC COMMERCE.**

10 (a) **IN GENERAL.**—Section 1101(a) of the Internet
11 Tax Freedom Act (47 U.S.C. 151 note) is amended by
12 striking “ during the period beginning November 1, 2003,
13 and ending November 1, 2014”.

14 (b) **EFFECTIVE DATE.**—The amendment made by
15 this section shall apply to taxes imposed after the date
16 of the enactment of this Act.
